

SFM Environmental Solutions Pty Ltd

Contact: Tammy Price (03) 6223 3536
Email tprice@sfmes.com.au

SFM provides independent, professional forest management advice and services to landowners. With experienced staff in Burnie, Launceston and Hobart SFM offers a one-stop-shop solution for the management of privately owned plantations across Tasmania. Core services include;

- Plantation advice;
- Fire management and suppression;
- Plantation assessments;
- Harvesting and marketing; and
- Plantation reversion activities

SFM is certified under both the AFS and FSC forest management certification systems to maximise market opportunities.
